We have a straightforward and simple process for you to voice your concerns and complaints.

RESOLVING YOUR CONCERN

Your concerns will always be promptly addressed. If we cannot resolve your concern immediately, we will acknowledge it in writing confirming the concern you have raised and further steps that will be undertaken.

Be assured that our staff are specifically trained to ensure you are treated fairly, professionally and with courtesy at all times.

Our staff are required to respond to you within set timeframes. They are provided with the full cooperation and support of the company in order to achieve this.

In the unlikely event we are still investigating your concerns after 45 days, we will write to you with an explanation as to why it is taking us longer than we would prefer to resolve your concern. We will also provide you the date by which we expect to have completed our investigation.

In all instances, the outcome will be communicated to you in writing. We will advise you what we have found and the reasons for our determination.

The Club is committed to building strong and lasting relationships with our valued members. By listening to your feedback, we can try to address any concerns you may have and also continue to improve our products and services.
